

**COUNT YOUR
CREDENTIALING
CYCLE IN DAYS.
NOT MONTHS.
CREDENTIALING TURNAROUND
TIME FACT SHEET.**

90-day credentialing is out. Improve turnaround time by up to 94%.

COSTLY BOTTLENECKS THAT LENGTHEN TURNAROUND TIME

COMPLEX MANUAL WORKFLOW

Serial application processes and tedious committee review timelines

MANAGING EXCEPTIONS

Multiple rate-limiting touch points between payer and provider

HIGH DATA VOLUME

Labor- and time-intensive processes further compounded by large volumes

THE CREDSIMPLE SOLUTION

CredSimple's technology-enabled services equip payers to complete all credentialing requirements to NCQA standards within five days.

ONE-STOP VERIFICATIONS

Automatic primary source verifications and cross-referencing between provider data sources

CONSOLIDATED REVIEW

All documentation in a shareable format for easy review across the team

COMPATIBILITY

Direct connection to CAQH to enable seamless extraction of existing data

MONITORING & AUTOMATION

Strategic management of recredentialing workflow and automatic scheduling to maintain compliance

QUICK ONLINE APPLICATION

A single, concise provider application modeled on current universal formats

SIMPLIFIED COMMITTEE PREP

Built-in reports highlight risks to the credentialing committee without prep time

WHY OPTIMIZE TURNAROUND TIME?

REDUCE COSTS

Automate application processing and primary source verification to reduce credentialing costs by up to 50%

ELIMINATE COMPLIANCE RISKS

CredSimple helps clients eliminate backlogs or gaps in the credentialing process — restoring compliance in 30 days or fewer

NETWORK ADEQUACY

Quickly activate new providers in order to meet network adequacy requirements

IMPROVE PAYER-PROVIDER RELATIONSHIP

With a verification and credentialing turnaround time of just 5 days, our clients build fast and efficient work processes with providers
